Maquette Projet1 SEG3525

o Quel type d'entreprise de service avez-vous choisi et pourquoi ?
J'ai choisi de créer une entreprise de services similaires parce que je trouve que le marché des soins capillaires,
en particulier des coiffures traditionnelles comme les tresses africaines, est souvent sous-représenté dans l'industrie de la beauté et de la coiffure.
En mettant l'accent sur ces services, je voulais contribuer à offrir des options de coiffure variées et inclusives
o Quel outil de maquette avez-vous utilisé ?
J'ai utilisé l'outil Figma pour la maquette de mon site.
o Quels sites Web vous ont inspiré ?
